

# BUILDING ON FAITH

---

## Overview of Our New Parish Center and Hall

Our success in the ***Building on Faith*** Campaign will provide us with a magnificent new facility to:

- Respond to the growing space needs of our many and still growing ministries;
- Enhance our Whole Community Catechesis and Lifelong Faith Formation by providing new classrooms, facilities, and technology;
- Provide our youth with space for their programs and fellowship;
- Provide the community with a religious articles store that offers religious reading material, sacramental and devotional items;
- Provide a library with books, tapes, videos, CDs, and DVDs;
- Live our Mission Statement which summons us: *“As members of St. Denis Catholic Community we are called to grow in our commitment as disciples of Jesus Christ through prayer, worship and stewardship, formation and evangelization, education and outreach.”*

## Campaign Prayer

Prayer is a vital component of the ***Building on Faith*** Campaign. Please join us in praying the Campaign Prayer and asking for the Lord's help:

Gracious God, source of all life, love and holiness,  
you call us to be one with you and each other.  
Over the years you have generously  
blessed this Community of St. Denis  
and we are grateful.

We ask you now to strengthen us  
as we assume the task of Building on Faith.  
In these difficult times may our collaborative efforts  
lead us to building our new hall and parish center  
thereby providing a center of Evangelization for all ages  
through our programs, ministries and organizations.

Strengthened in Faith, make us all willing volunteers  
and generous donors to ensure this vision becomes a reality.  
Give us your spirit of wisdom as we move on  
and may our part in this project give honor and glory,  
to you, Father, Son and Holy Spirit, God forever and ever. Amen
