

# BUILDING ON FAITH

## Benefiting Our Ministries

For too long our ministries have struggled to find adequate space and storage in our current facilities. Meetings often take place in the Church cry rooms or in the rectory dining room. All of our storage spaces are filled beyond capacity. Our hall and kitchen facilities are inadequate for parish functions and events. The **Building On Faith** Campaign will provide a Parish Center and Hall which will enable our ministries to grow and thrive in the coming years. It will include:

### Meeting Rooms

New meeting rooms will provide space for our ministries, programs and organizations, and allow for sequential meeting times.

### New Hall

Our new hall will be larger and will be equipped with the latest in multimedia technology. A spacious kitchen and pantry will be available for our functions and events. The hall will be divisible into smaller spaces with soundproof room dividers and will include risers to create a stage.

### Office Space

Dedicated and modular office space will be a valuable asset for the leaders of our programs and ministries, as well as volunteers. Cubicle space will be adaptable to changing space needs.

### Storage

The Parish Center and Hall will have dedicated storage spaces for the parish and its various programs. Storage is currently spread throughout the church property and is greatly needed by all.

## A Message From Our Campaign Leadership

“We support the **Building on Faith** Campaign because God called us and we answered. So many times we have called on God and He has answered us. The facility is almost 40 years old and has served its purpose. To fulfill the current needs of God's community, we need a new Parish Center and Hall.

We've been parishioners for 15 years and we acknowledge our responsibility to build for the future of the St. Denis community. It is indeed a sacrifice we make to pledge our time and donations during a weathered economy. But it is this same sacrifice that will help us grow in our trust of the Lord. We have hundreds of families and individuals, younger and older alike, that partake in the services of our many ministries. These brothers and sisters in Christ will benefit from the new facility.

Gil and Mary Rivera  
Campaign Co-Chairs

As a community, our sacrifice will reap great harvests of faith for us and generations to come.”

## Building On Faith Campaign Update

**The Building on Faith Campaign has raised nearly \$2.3 million in pledges to date!** Volunteers are calling on fellow parishioners now to discuss the Campaign. Please take the time to listen to your fellow parishioners and prayerfully consider making a sacrificial pledge.
