

BUILDING ON FAITH

Benefiting Our Community

The **Building on Faith** Campaign provides us with the opportunity to respond to the needs of our community. Our new Parish Center and Hall will positively impact our entire parish, and every single member of our congregation will be able to utilize and benefit from these new facilities. Following are additional details on what the Parish Center and Hall will include:

Christian Outreach

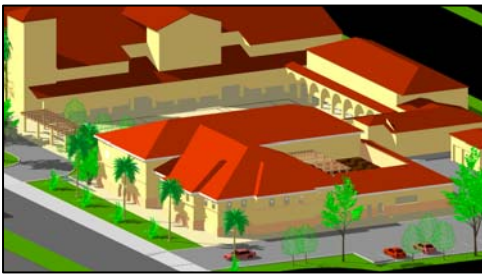

Christian Outreach is an important part of our mission at St. Denis. However, that program currently operates from a small storage space in the church. A dedicated outreach space in our Parish Center will provide food, clothing, and supplies to those in need, in a place they can come with dignity.

Religious Articles Store

We have long needed a religious articles store to serve both our parish and community and thereby respond to that great need. This store will provide

religious reading materials, as well as sacramental and devotional items. It will also serve as a revenue source for our parish.

Library

A library will provide space for books, publications, DVDs, audio CDs, and more, that can be loaned to parishioners for home study. This is an important part of faith formation and evangelization as parishioners are provided the opportunity to reflect and study at home.

VOLUNTEER NOW!

We have been working steadily over the last several months on the **Building on Faith** Campaign. We have had many volunteers contacting fellow parishioners, explaining the project, answering questions, and speaking at Mass.

Today, the campaign team is asking each of you to become a campaign Phone-a-thon volunteer! Starting the week of October 26th, the Campaign will be conducting phone-a-thons over a 3-week period to reach out to absolutely everyone in the parish. We will be calling parishioners to talk about the project and answer questions.

Reaching out to the entire parish requires lots of volunteers so please consider volunteering for one or more of these fun events! This is one of the last opportunities to volunteer for the Campaign so please join us!

Located in the pews are yellow Volunteer Cards (shown above). Please complete the card TODAY and drop it in the offertory basket or return it to the Pastoral Office. A volunteer will follow up with you next week with a letter, a phone call, and more specifics.
