

BUILDING ON FAITH COMMITMENT WEEKEND!

The *BUILDING ON FAITH* Campaign has now raised over \$2,750,000 from more than 200 pledges! We have now exceeded half of our goal of \$5,500,000!

This is a great start, but we need the help of every family to make this effort a success! The goal is to complete our Campaign efforts by Thanksgiving, but St. Denis Catholic Community needs your support to make this happen! This weekend is your first opportunity to make your commitment during Mass!

What is Commitment Weekend?

Commitment Weekend is one of the most important campaign events! During Commitment Weekend every family has the opportunity to consider their support at Mass. It is challenging for our volunteers to reach every parishioner, so this is a great way to drastically increase participation and receive decisions regarding the Campaign. We also hope this will bring us close to our \$5,500,000 goal but we need your support!

What Type of Pledge Should I Consider? What Are Others Giving?

According to the principles of Christian stewardship, we ask that everyone give in proportion to their ability. We ask every household to consider a sacrificial pledge payable over a 5-year period. This is the only way we will be able to achieve our goal.

Suggested Pledge Plans

During Mass this weekend you will have the opportunity to fill out a Commitment Card. The card has Suggested Pledge Plans to make it easier to make a pledge over time. Following is a sample of pledge plans found on the Commitment Card. As you can see, a small commitment each month makes a very large impact on the Campaign over time:

\$100 per week over 60 months equals \$26,000!!

\$50 per week over 60 months equals \$13,000!!

\$25 per week over 60 months equals \$6,500!!

\$14 per week over 60 months equals \$3,600!!

\$7 per week over 60 months equals \$1,800!!
